The workshop aims to offer support and instruction to  
MLS/MHR students to develop their final thesis

## Objectives

- Defining the topic of the thesis, research questions and keywords
- Highlighting 'searching' strategies
- Write the thesis: from the abstract to the reference style
- Demonstrate research strategies using practical exercises
- Provide information on graduation deadlines and FAQ

To register, send an email to [mhr@unimi.it](mailto:mhr@unimi.it) - email object: **Master thesis guidance – registration** – please specify if you are a MLS or MHR student
